

25th November 2011

Dear Parents/Carers

Year 7 pupils will be issued with an Independent Learning Device to support their learning at Hope Academy. This device is similar to a laptop and pupils are expected to bring the device into the Academy for use during lessons.

It is a requirement that we receive an Acceptable Use Policy signed by a parent before the device can be issued. Therefore, I am pleased to invite you to attend a brief information session on **Thursday 1st December at 6pm**. All relevant paperwork will be issued at this session along with an overview of important information in relation to the use of the device.

I look forward to meeting you at the event.

Yours sincerely

Mr J. K. Gannon
Principal
